

## A culture of caring.

Vibrant communities are full of life, laughter and opportunities to work and grow. At Think, we want to use our energy, enthusiasm and resources to make our communities even better for everyone!

### Music in Kelley Park

With our sponsorship of Music in Kelley Park, we helped bring the Apple Valley community together with free summer concerts.

### Down by the Riverside

Rock on! Thousands of diehard music fans were entertained during the Think Bank Down by the Riverside free summer concert series in Rochester.

### Wild Nights Concert Series

Summer nights in Minnesota are magical. We were thrilled to sponsor a stage at the MN Zoo's Wild Night Concert Series. Thousands of attendees basked in the glow of nature and enjoyed the show.

### Season of Giving

In December, we were busy elves with our Season of Giving. In 2023, 10 organizations received surprise checks from us. Oh, what fun it was to deliver those gifts!

**We're humbled by what our communities do - and honored to help out whenever we can.**

## We invest in the vitality of the communities we serve by giving generously and supporting employee volunteerism.

Meet your money.

Community involvement inspires and energizes us!

## Doing Good.

Doing our part to make our communities better places to live, work and play is a core value of Think Bank.

I'm continually inspired and impressed by our own team members who enthusiastically volunteer in our communities and by the many nonprofit organizations we're privileged to support.

We're so proud to put our time, talent and funds to work supporting our local communities: we know with certainty we get as much as we give when we lend a helping hand.

Benefiting 360 Communities

All in on Think Gives Day

## Think Gives Day

This one-day event has become a beloved, highly-anticipated tradition among our employees and the organizations we help. In 2023, we closed our offices for a day to send our team out into the community to paint, clean, pack, move, rake, build, haul, and much more.

222+ enthusiastic employees 1,300+ hours of service

17 locations 

Think encourages employees' volunteer efforts by providing a \$250 grant for any organization where an employee is actively involved. In 2023, employee grants were given to a diverse group of organizations that captured our employees' hearts and energies.
